Lauren is a Member in the firm's Norfolk office and a member of the Health Care and Litigation Practice Groups, the Senior Housing and Care Team and Data Privacy and Security. She represents clients, including health systems, hospitals, practices, long-term care facilities, and individual health care providers, in all aspects of health care litigation matters, including defense of medical malpractice and wrongful death actions as well as disciplinary actions by state licensing boards. Lauren also provides guidance on various health care decision-making matters, including HIPAA breach prevention and compliance, peer review and quality assurance programs, and counsel to hospitals regarding staff matters, quality assurance, EMTALA, HIPAA, Medicare, healthcare decisions and other regulatory and risk management issues. Lauren also serves on the firm's Diversity & Inclusion Committee.

PRACTICE AREAS

- Health Care
- Litigation
- Senior Housing and Care Team
- Data Privacy and Security

REPRESENTATIVE MATTERS

- Represented clients, including health systems, hospitals, practices, long-term care facilities, and individual health care providers, in all aspects of litigation matters in both state and federal court
- Defended health care professionals when their depositions are requested as treating providers
- Counseled health systems, hospitals, nursing homes, physicians and other health care professionals on issues of risk management and regulatory compliance
- Advised healthcare providers of all types on HIPAA breach prevention and compliance
- Counseled a major hospital system through re-drafting of consent forms for regulatory compliance and other legal concerns
- Developed peer review and quality assurance programs for physician practices
- Counseled numerous hospitals on medical staff matters, quality assurance, EMTALA, HIPAA, healthcare decisions and other regulatory and risk management issues
