Sherry is an associate in the firm's Richmond office where she is a member of the firm's Corporate & Public Finance Group and China Team. Sherry has rich experience representing public and private companies and advising on matters related to initial public offerings, secondary offerings, periodic reporting obligations, mergers & acquisitions, and corporate governance issues. Sherry also works closely with a number of credit unions on regulatory and lending issues and commercial litigation. She regularly helps to advise clients on consumer compliance issues, NCUA requirements, and rules governing credit union service organizations. She is fluent in Mandarin and English.

*Admitted only in New York and New Jersey
