Darden is an Associate in the firm's Norfolk office and is a member of the Mergers, Acquisitions & Strategic Alliances, Commercial, and Health Care practice groups, as well as the Sports & Entertainment Industry Team.

A substantial portion of Darden's practice involves counseling commercial clients in various industries through a wide range of merger, acquisition, and sale transactions, as well as advising clients on general business practices and corporate law. Darden also assists with entity formation, joint ventures, strategic partnerships, and contract review, development, and negotiation.

In Darden's health care practice, he works closely with individual and group dental practices, dentists, physicians, and other medical groups and practices by advising them through merger and acquisition transactions, practice sales and affiliations, retirement transitions, and associate purchases, in addition to other general contractual and regulatory matters.
